Module 1: Bonding

Bonding Using Stewardship & Integrity

Bonding is the foundation of the BUSI curriculum. Trust must be rebuilt through listening, presence, and follow-up. Participants are reminded that they are not alone and that their voice matters.

This module includes teaching content, reflection questions, real-life scenarios, and practical exercises to support personal growth and community impact.

Module 2: Unity

Unity Through Community & Support

Unity builds upon bonding by emphasizing shared responsibility, healthy support systems, and community strength.

This module includes teaching content, reflection questions, real-life scenarios, and practical exercises to support personal growth and community impact.

Module 3: Stewardship

Stewardship of Life, Resources, and Decisions

Stewardship focuses on responsibly managing time, finances, relationships, and decisions with intention and care.

This module includes teaching content, reflection questions, real-life scenarios, and practical exercises to support personal growth and community impact.

Module 4: Integrity

Integrity, Accountability & Ethical Advocacy

Integrity aligns values with actions and empowers individuals to speak up, set boundaries, and seek fairness.

This module includes teaching content, reflection questions, real-life scenarios, and practical exercises to support personal growth and community impact.

Module 5: Community Action

Applying Faith, Advocacy & Accountability

Community action brings all BUSI principles into practice through responsible advocacy and engagement.

This module includes teaching content, reflection questions, real-life scenarios, and practical exercises to support personal growth and community impact.
